# *The Castle at Wildwood Gardens*

The Castle at Wildwood Gardens is an all-season wedding venue nestled in a secluded pine forest located on over 100 privately owned acres in Northwest Georgia. We are a family owned and operated business that strives to provide high-end service at an affordable price. Our goal has been to create a unique European style venue to host elegant events without the cost of a destination wedding. At The Castle at Wildwood Gardens, we only host one wedding a day, so on your wedding day, you will be greeted by a familiar face with only one thing in mind-YOU! When you tour our facility, you will meet with the tour director that will be with you through the entire process, from your consultation appointment, to being on site the day of your event. This beautiful property provides a magical setting for any style wedding. Abounding in photo opportunities, from our cascading water features, chandelier filled Great Hall, and the majestic columns in our old-world courtyard, there is no place like The Castle at Wildwood Gardens to make memories that will last a lifetime!

# The Castle Front Lawn

When you arrive at The Castle at Wildwood Gardens, you will stroll down the path, adorned with charming lamp posts, that winds its way to the castle front lawn. The lawn serves as one of the outdoor ceremony locations on the property. It features a handcrafted wooden arbor, balustrade bridge and the soothing sounds of cascading water from the castle moat. As a bride, you will make your entrance through the grand castle doors and walk down the classic cobblestone aisle. You will say “I do” surrounded by charming cottage gardens featuring white crepe myrtle trees and fragrant white roses. This ceremony area will accommodate up to 200 guests seated at cushioned fruitwood chairs. With the castle backdrop, this is a truly stunning place to say “I do.”

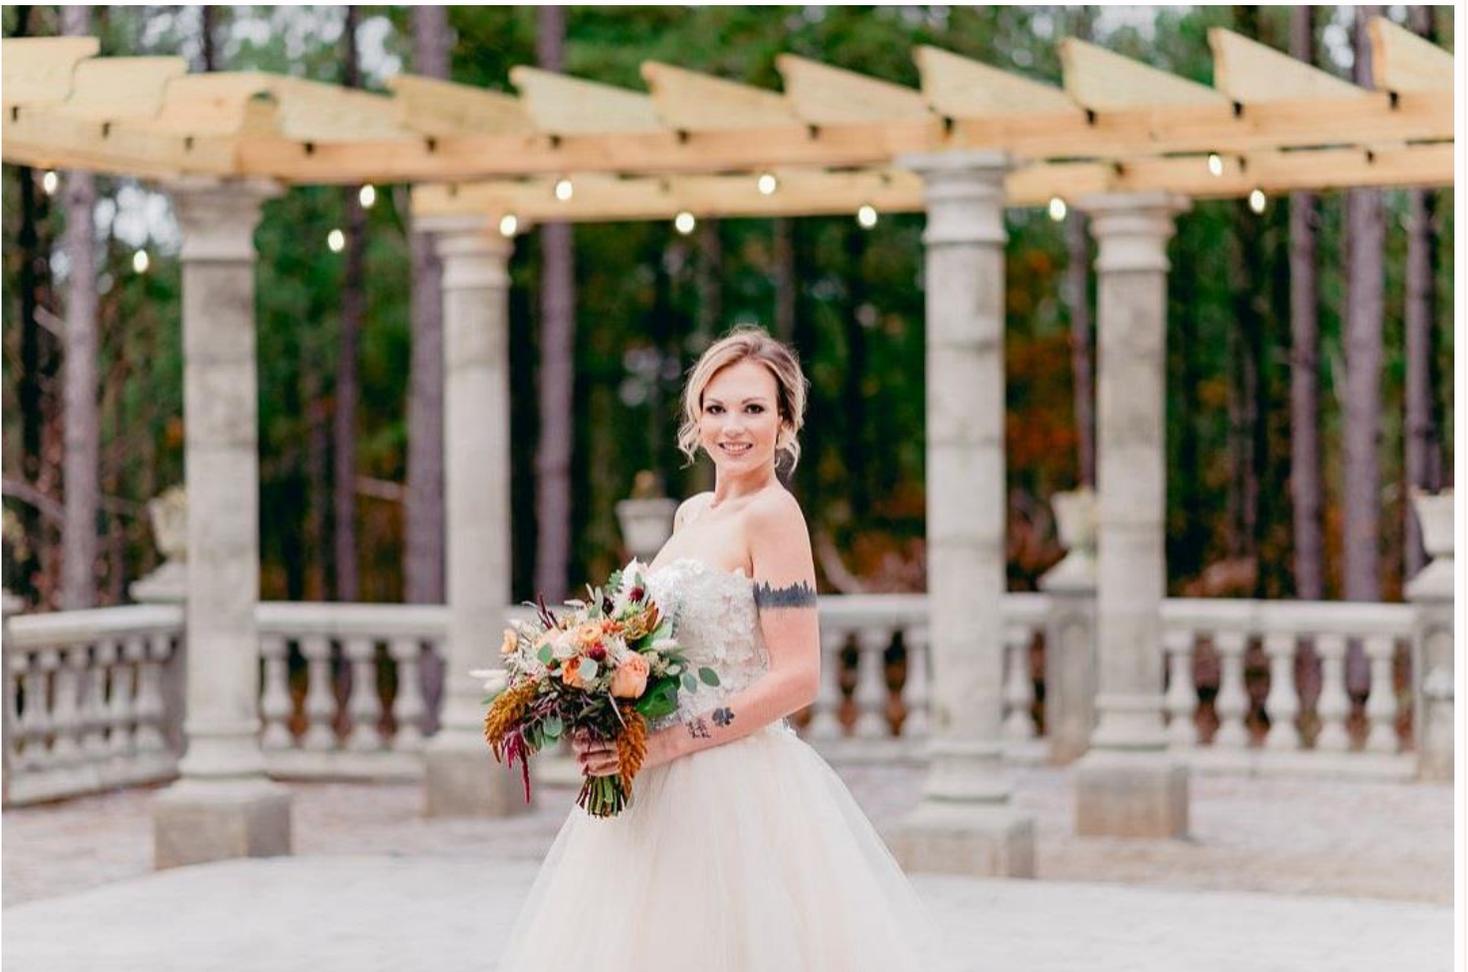

# The Great Hall

When you enter the castle doors, you will find yourself in our breathtaking great hall. This room features gorgeous staircases leading up to adjoined balconies and features a magnificent fireplace focal point. The 17-foot-high wooden ceiling sparkles with chandeliers and candelabra wall sconces cast a warm glow. This space serves as a reception hall as well as an indoor ceremony option. The center portion of the great hall can accommodate 100 seated guests at round tables with linens. An additional 96 guests can be seated in the balconies at beautiful, handcrafted wooden tables. We provide a charming sweetheart table with gold sweetheart chairs for the newlywed couple to enjoy their first meal as husband and wife. The attached warming kitchen makes it easy & convenient to have a buffet style dinner at our serving bar or a served plated dinner. The fireplace also serves as a beautiful backdrop for an indoor wedding ceremony of up to 180 guests.

# The Old-World Courtyard

Through the castle back doors, you will enter our old-world courtyard. With its majestic columns, dreamy café bistro lights and the soothing sounds of a water fountain you will feel like you have entered a magical fairy tale! This space serves as an outdoor reception space or ceremony area. Tables can be set up under the pergolas so your guests can dine under the magical twinkling lights. The center of the courtyard makes a perfect dance floor. As a ceremony site, you can say your vows in front of our beautiful water fountain. Surrounded in a custom balustrade railing and nestled in a secluded pine forest, this space is a truly magical getaway for you and your guests.

# The Bridal Suite

Located inside the castle is our elegant bridal suite. With its French Provincial furniture, beautiful mirrors, and in-suite bathroom, our bridal suite is a luxurious space to get ready in. The large picture window allows for ample natural light as well as a charming view into the bride's secret garden. The garden allows the bride and her party to enjoy an outdoor space for pictures without anyone seeing them. The garden features a trickling fountain and a lovely handcrafted swing.

## The Grooms Suite

The Groom's Suite is also located within the castle. This room gives the groom and his party their own space to get ready in and hang out until the ceremony. It features wrap around seating and a 54-inch television over a stone fireplace. Behind a "secret passage" door behind the built-in bookcase lies the grooms in-suite bathroom. This grooms suite also has an attached outdoor space with access to the courtyard and an additional side area perfect for outdoor games and additional seating.

When you become a wildwood couple, you get free lifetime access to our Open Houses with food and cocktails. At these open houses, we are able to learn about past weddings and couples are able to connect with one another.

“On behalf of Seth and myself, let me start off by saying we are extremely honored to have had the first wedding ceremony to be held at this beautiful venue. I truly felt like a princess in my castle! It checked off every box that we had for a venue. Everything from the gorgeous bridal suite, from the grand reception area, to the relaxing moats in the front, immerses you fully into the castle feel. I am blessed enough to have been best friends with one of the co-owners Rachel for 20 plus years. Alongside Jessy, the other co-owner and the rest of the family Johnny, Elaine, Destyn, and Gabe, who have all been phenomenal in the planning and will help you with anything you wish to make your special day a day you will never forget! So needless to say, this venue gets 5 stars from me and my hubby!!!”
